

## Document Links- for Infor ERP FACTS

Document Links from ProServe Solutions is an integrated solution for Infor ERP – FACTS. The solution makes it easy to add other documents into your FACTS system.

Document Links allows a non FACTS documents to be tied or “linked” to FACTS Customers, Items or Vendors. The documents can be anything that can be opened via windows explorer. They can be PDF’s, Text files, Spreadsheets or Word Docs. The Document can be a Website URL or an Email Address.

Document Links will improve productivity by making it easy to identify and find key business critical documents. In

### Additional Documents Managed:

- PDF's
- Text Files
- Excel Spreadsheets
- Word Documents
- Website URL addresses
- Email Addresses

#### INDUSTRY EXPERTISE

We have been in business in Information Technology since 1983 with tremendous experience in many vertical markets.

#### CUSTOMER SUCCESS

*“Without ProServe, we would not be doing the level of business we are today..we witnessed a 400% increase in revenue with a 33% reduction in labor costs.”*

Jack Dick, President,  
Heiser

*“We experienced a 10% reduction in our inventory expense in the first year. ProServe did an excellent job of understanding our business and providing the right solution and services to be successful.”*

Mike Rejewski, Controller  
Davis Electrical Supply

*“ProServe has always been there to help craft the solution. The best solutions have come out of the synergy of the relationship.*

*That is value.”*

Mike Mumau, President
